MEMORANDUM FOR THE RECORD

SUBJECT: Briefing of Senate Disarmament Subcommittee -  
28 January 1959 - 2:00 p.m.

1. Dr. Scoville, [redacted] Abbot E. Smith and John Warner 25X1  
met with the Senate Disarmament Subcommittee of Senate Foreign Relations  
from 2:00 p.m. until 6:00 p.m. on 28 January. Approximately one-half  
of the time was consumed in the completion of the State Department  
testimony.

2. At the time CIA witnesses testified, those present included  
Senators Humphrey, Hickenlooper and Lausche. Those of the staff present  
were Carl Marcy, Betty Goetz, Mrs. Collier and Donald Henderson.  
Senator Humphrey had invited the previous executive branch witnesses and  
observers to remain. A list of these is as follows:

D. H. Rock, USAF

[redacted] 25X1  
D. S. Carder, U.S. Coast & Geodetic Survey

Ernest Nash, Commerce

Carl Romney, Hq., USAF

Charles Sullivan, State

Leonard M. Murphy, U.S. Coast & Geodetic Survey

Philip J. Farley, State

Ronald I. Spiers, State

Edward Clarke, State

3. Senator Humphrey ran down the questions which had been  
included in the letter to the Agency of 17 December 1958. Senator Humphrey  
was most interested in the information and Lausche also seemed to be  
extremely interested in securing information on the various subjects. At  
the conclusion they were most complimentary and appreciative of the  
Agency providing them in a frank manner the desired information. Dr.  
Scoville requested that the records show that the testimony furnished 25X1  
included classification of TOP SECRET and RESTRICTED DATA.

6. Dr. Scoville accompanied by [redacted] Abbot Smith and John Warner appeared before the Senate Disarmament Subcommittee at two o'clock. The State Department briefing was not yet complete and it was approximately four o'clock before the CIA witnesses were heard, the meeting lasting until six o'clock. See Memorandum for the Record.

7. Sam Crosby, House Committee on Appropriations, called requesting two copies of the Director's speech to the Forty-Sixth Annual Meeting of the Chamber of Commerce of the U. S. on April 28, 1958. These were sent over to Mr. Crosby by special courier.

8. Desmond Fitzgerald called indicating conversations with the Department of State with reference to the possible visit of the Mayor of Seoul to Philadelphia. It was desired that Mayor Dillworth of Philadelphia actually invite the Mayor of Seoul in view of the incident of about a year ago where a South Korean was murdered in Philadelphia. Fitzgerald was suggesting the possibility of contacting Dillworth through Senator Green of Pennsylvania with whom he is well acquainted. I suggested a possible alternative that if Gates Lloyd happened to be well acquainted with Dillworth, the approach could be made directly. The matter was left until action is required.
